I, Richard L. Floyd, being first duly sworn on oath says: That I am a Registered Land Surveyor and that I have, at the request of the proprietors thereof, made a careful survey of the property described in the foregoing certificate of the proprietors and have platted the same into Lots and Mackie Road as more fully appears on the annexed plat entitled "MACKIES LOTS." The plat is a correct representation of the survey; all distances are correctly shown on the plat; monuments for the guidance of future surveys have been correctly placed in the ground as shown thusly:  $\odot$  = 1" x 36" Iron Monument;  $\circ$  = Iron Pipe;  $\Delta$  = Lead Plug in Rock. The outside boundary lines are correctly designated. The subdivision of the Northeast Quarter of Section Thirty-five (35) as shown hereon was made by E. Bolitho, Registered Land Surveyor. There are no wet lands, rivers, streams, creeks, lakes, ponds, swamps or public highways and thoroughfares laid out, opened, or travelled existing before the platting other than shown on the plat.
